Mika, Live Your Life

You've got the whole world in your pocket But you just don't know Everybody's smilin' at you everywhere you go It's like you've got that secret That everybody else wants to know

Anywhere you are is just like home to you From the beaches in Manila Down to Katmandu

Yeah you've got that secret That everybody else wants to know But you won't ever let it go oh

Everybody wanna hold your hand Everybody wanna shine that bright Everybody wanna say they can Everybody wanna live your life

Everybody wanna talk like you Only wanna do the things you do 'Cause they always gonna turn out right Everybody wanna live your life

We take a whole room full of strangers And we make them friends We do it all around the world Just so it never ends It don't matter where we're coming from or going to You're the only one that ever turns a grey sky blue And everybody needs a friend like you

Everybody wanna hold your hand Everybody wanna shine that bright Everybody wanna say they can Everybody wanna live your life

Everybody wanna talk like you Only wanna do the things you do 'Cause they always gonna turn out right Everybody wanna live your life
