

# Mika, Rain

Is it really necessary  
Every single day  
You make me more ordinary  
In every possible way

This ordinary mind is broken  
You did it and you don't even know  
You're leaving me with words unspoken  
You better get back cause I'm ready for

More than this  
Whatever it is  
Baby, I hate days like this  
Caught in a trap  
Can't look back  
Baby I hate days like this

When you let it rain, you let it rain  
When you let it rain, you let it rain  
When you let it rain, you let it rain  
When you let it rain, you let it rain  
More than this, baby I hate days like...
