

# Mika, Ring Ring (Is That You On The Phone?)

Mika - Ring Ring (Lyrics)

I was sitting on the fence  
And I thought that I would kiss you  
I never thought I would've missed you

But you never let me fall  
Push my back against the wall  
Every time you call  
You get so emotional  
Oh, I'm freakin' out

Ring ring  
Is that you on the phone?  
You think you're clever  
But you're never saying nothing at all

Hey hey  
The way you spin me around  
You make me dizzy when you play me  
Like a kid with a crown

You got a dangerous obsession  
Now I'm in need of some protection  
That was never my intention

Used to love me  
Now you hate me  
See I drove you crazy  
Well if I did  
You made me  
Won't somebody save me?  
From you now

Ring ring  
Is that you on the phone?  
You think you're clever  
But you're never saying nothing at all

Hey hey  
The way you spin me around  
You make me dizzy when you play me  
Like a kid with a crown

Its words I wanted  
Until you lost it

Why won't you leave me alone?  
Hang up the phone  
Just let me go

Ring ring  
Is that you on the phone?  
You think you're clever  
But you're never saying nothing at all

Hey hey  
The way you spin me around  
You make me dizzy when you play me  
Like a kid with a crown

Ring ring  
Is that you on the phone?  
You think you're clever

But you're never saying nothing at all

Hey hey  
The way you spin me around  
You make me dizzy when you play me  
Like a kid with a crown
