

Mika, The Only Lonely One

HEY!

(Eins, zwei, drei, vier)

Who lives without love?
Got lots of things, but it's not enough
Am I the only lonely man?

I turn on my TV
See lots of hearts, but there's none for me
Am I the only lonely man?

Am I the only one?
Am I the only one?
Am I the only, only lonely man?

I go to NYC
See the pretty Statue of Liberty
I said 'Hey, girl, what a lonely, lonely life'

Your heart is made of stone
You symbolize what I want to own
Could you be my lonely, lonely wife?

Chorus x2
Am I the only one?
Am I the only one?
Am I the only, only lonely man?

only lonely man?

Who lives without love?
Got lots of things, but it's not enough (Who lives without love?)

I turn on my TV
See lots of hearts but there's none for me (I turn on my TV)
Am I the only lonely man? (See lots of hearts but there's none for me)

Chorus x2
Am I the only one?
Am I the only one?
Am I the only, only lonely man?

only lonely man'
