

Mikael Simpson, Silly, Wasn't I?

I believed in you, thought what you said was true
It couldn't hurt me, it was a lie
Ah ah ah silly, wasn't I?
Oh I was lost in world and like the foolish girl

I really thought that you were my guy
Ah ah ah silly, wasn't I?
Oh oh I remember the time
You called me on the phone

Said you had a busy day and at home
I waited, I waited
And time went by
I try to laught

But all I feel is cry
Silly, silly wasn't I?
Wasn't I silly?
And even think I found the love

I was dreaming of it
I never thought you would say goodbye
Ah ah ah silly, ah ah ah silly
Oh wasn't I silly?

To think that you loved me
Oh wasn't I silly?
