

Mike And The Mechanics, Everybody Gets a Sec

A single failure
A little slip
A misdemeanour
A little trip
Does this condemn me
Lock me away?
Before you turn the key
I have one more thing to say
To make amends
Maybe be friends

Chorus:

Everybody gets a second chance
The Circumstance to say I'm sorry
I'd like to tell you in advance
Take my chance and tell you

I'm sorry too

A little stumble

A little fall

Inconsequential

Nothing At All

Now there was someone

I heard him say

That the best laid plans

Sometimes go astray

So don't be surprised

If I offer you no alibis

(Chorus)

Everybody gets a second chance
The circumstance to say I'm sorry
I'd like to tell you in advance
I'll take my chance and tell you I
Take my chance and tell you

I love you

(Chorus x2)

Everybody wants a

Everybody needs a

Everybody gets a second chance
