

Mike Batt, The Winds Of Change

We can't go on any more with this notion

Just saving up to buy a ball and chain

Seems it's all arranged.
You can't buy time and you can't buy emotion

What have you and I been waiting for?
The winds of change are blowing hard in our direction
We can't go back and we can't stand still

The winds of change may try to blow away my affection
But they never will.
They say in your life there's a tide for the taking

And if you wait
they say it goes away

It just flows away.
I know it may be a mistake we are making

But if we don't try
we'll never know.
The winds of change are blowing hard in our direction
We can't go back and we can't stand still

The winds of change may try to blow away my affection
But they never will.
