

Mike Curb Congregation, Burning Bridges

Friends all tried to warn me
But I held my head up high
All the time they warned me
But I only passed them by
They all tried to tell me
But I guess I didn't care
I turned my back and
Left them standing there

All the burning bridges that have fallen after me
All the lonely feelings and the burning memories
Everyone I left behind each time I closed the door
Burning bridges lost forevermore

Joey tried to help me find a job
A while ago
When I finally got it I didn't want to go
The party Mary gave for me
When I just walked away
Now there's nothing left for me to say

All the burning bridges that have fallen after me
All the lonely feelings and the burning memories
Everyone I left behind each time I closed the door
Burning bridges lost forevermore

Years have passed and I keep thinking
What a fool I've been
I look back into the past and
Think of way back then
I know that I lost everything I thought I that could win
I guess I should have listened to my friends

All the burning bridges that have fallen after me
All the lonely feelings and the burning memories
Everyone I left behind each time I closed the door
Burning bridges lost forevermore

Burning bridges lost forevermore
