

Mike Doughty, Lisa Ling And Lucy Liu

Lisa Ling and Lucy Liu
Each regard with thought and wonder
Witness what I have never seen
And truly beautiful blood and thunder.
Yeah it's the sweet sign of
Yeah force of divine love
And the blessed arrival of you.

You might be the one I've been seeking for
You might be the sweet un-spiteful
You might be the girl who shall end all girls
You might be the famed delightful

Lisa Ling and Lucy Liu
Passing girls with a gaze disdainful
Strangeness i have never seen
And truly loving yeah man that's painful

Yeah a gift from my side now
Gladness isn't blind now
And happiness stinks up the room
mmm yeah
mmm yeah

You might be the girl that I been waiting for
You might be the famed delightful
You might be the girl who shall end all girls
You might be the sweet un-spiteful
