

# Mike Doughty, White Lexus

Please show me how to live  
Please show me how to have a day  
I don't wanna wake up now  
Why do I have to wake up, anyway?

Like a soap star in anguish, shrill but bland  
When your white Lexus comes  
Around  
The way  
Idling in the long driveway  
Try to feel nothing on command  
When your white Lexus comes  
The thrill  
Be damned

I forgive the world right now  
Still I play the chump's role every time  
My world's the surface of the moon  
My heart's down in a diamond mine

Like the black stars of Memphis, moaning on,  
When your white Lexus comes  
To drive  
Me out  
Drive me to the edge of town  
Try to feel nothing on command  
When your white Lexus comes  
The thrill  
Be damned  
Damn it to the last damned man
