

Mike Heron, Warm Heart Pastry

"Tommy and the Bijoux": guitar, bass, drums

John Cale: viola

Sue Sunny, Liza Strike: backing vocals

Hey I know your faces and you've sent them here before
Drinking my wine, dropping your ash on my floor, I'm waiting
And when you call, bring it all

I'm thin and I'm getting thinner

Hey I'm a hungry man and you know I ain't taling 'bout grits

Yeah I'll bid for the puzzle 'cos I think I know how it fits

You could be fat as a hog, still you want to chew it

One day you're gonna find out - hot dog doesn't do it

Warm heart pastry

Talkin' bout warm hot pastry sure nuf I am

Hey I'm a hungry man and you know I ain't talkin'bout grits

Just look at you, you got a sour lemon stuck where a smile oughta fit
