Fuckin' hoes between they lips I hit the block get a knot and dip
Mo-Mo woodgrain I grip, purple drank from the cup I sip
Invincible set, princess cuts shinin' from behind my lips
Michael Watts choppin' & screwin', runnin' the game is what I'm goin'

King of the Streets is my next underground, after that
I'ma drop Platinum Underground

Mike Jones clothes comin' out, Mike Jones movie comin' out
