

Mike Ness, Misery Loves Company

I used to roam all night long
I lurked the streets late at night
I ain't never comin' home
But loneliness
Is part of the game
And misery loves company

I used to think that I was a king
Fancy cars, fancy clothes and diamond rings
Yeah but happiness is a funny thing
And misery just loves company

Bridge

Don't even try to understand
What goes on inside this man
As a boy I used to dream
Cuz' sometimes life ain't what it seems

We used to dance under moonlight
But then the tears began to fall
And baby that ain't right
Cuz' losin' you
Was part of the game
And misery loves company
Cuz' fuckin' up
Was part of the game
And misery loves company
