Mike Ness, You Win Again

The news is out
All over town
That you've been seen
Out running 'round
I guess that I
Should leave but then
I just can't go
You win again

This heart of mine
Could never say
What everybody knew but me
Just trusting you
Was my great sin
What can I do?
You win again

I'm sorry for Your victim now Cause soon his head Like mine will bow He'll give his love But all in vain And some they say You win again

You have no heart You have no shame You take true love And give the blame

I guess that I should not complain I love you still You win again

I love you still You win again I love you still You win again
