

Mike Oldfield, Into Wonderland

(feat. Wendy Roberts)

Oh Yeah
May I Say One Fine Day
If You Say You Would
We Could Run Away
Just Say Goodbye
There's No Cloud In The Sky
This Time Sunshine
We're Gonna Fly

You Can Hear That Whistle Blow
There's No One Gonna Know
Take My Hand And We Can Softly Go
When The Stars Come Out To Shine
You Are Gonna Be Mine
Sure As That Love That Jazz
We Are Gonna Be Fine

Just Take My Hand
And Try To Understand
We'll Fly Honey Pie Into Wonderland
And If You Want Me Too
I'll Come Back To You
Sure As That Love That Jazz
I Love You
