

# Mike Perry, The Ocean (ft. Shy Martin)

You can be my guided light  
Keep me, company in the night  
That's all I need, all I want  
Is for you to stay a little longer now  
With arms around me, like a border  
Like the air I breathe, I let you in  
Keep me warm underneath my skin,  
Cause I'm giving in to your touch  
I can never get enough  
Diving deep into the ocean  
Ocean  
Ocean  
Ocean

You can be my safety zone  
Somewhere when I can go when I feel alone  
That's all I need, all I want  
Is to stay a little longer now  
Arms around me like a border  
Like an endless stream  
You take me in  
To a place that I've never been  
Now I'm  
Giving in to your touch  
I will never get enough  
Diving deep into the ocean  
Ocean  
Ocean
