

# Mike Posner, Buried In Detroit (ft. Big Sean)

I'm a writer and a lover  
I'm a mid-west music man  
And I've been to a lot of places  
But I'm gonna end where I began  
I took class in Carolina  
Got high smoking joints  
And now they know my name in Paris  
But I'll be buried in Detroit  
Next to my father  
And my father's father too  
I used to live in New York City  
But Baby That Ain't know substitute  
Not for my hometown  
That place people avoid  
I made love in every city  
But I'll be buried in Detroit
