

# Mike Scott, Anatomy Of A Love Affair

You got me cheap, wherein I was wounded  
back in the days of woe  
You got me cheap, wherein I was wounded  
back in the days of woe

I then deceived us, I then deceived us,  
I then deceived us both  
You used your lure then sex and affection  
to train me like a beast

I left the money be, I left the money be,  
I left the money behind  
I left the money be, I left the money be  
I left the money behind
