

Mike Scott, She Is So Beautiful

She is so beautiful
I've got no words to describe
The way she makes me feel inside
I'm flying solo
As free as light as a bird
yet I could lay my wings down in a moment
To guard and comfort her

She is so beautiful
light-filled, loving and wise
Laughter dancing in her eyes
all my road is before me
And I never did plan on a wife
yet she's the most beautiful soul
I ever have met in this life

For she is like a song
she is like a ray of light
She is like children praying
like harps and bells and cymbals playing
And she is like a wind
moving, soothing, bringing joy
And here am I, destroyed
she is so beautiful
I don't know what I'm going to do when I leave
except grieve
