Mikey Mike, Girlfriend

Well you know what the truth is
I don't know how to be a boyfriend
I don't know how to have a girlfriend
The shits just new to me
And yeah I road the short bus
On the way to love school
I never learned to make nobody happy
But myself
So i know I'm difficult to date
I know I disappear for days
I know your friends think
I'm a no good selfish dog
I know I keep you up at night
Singing songs about my life
I drive you crazy
Then I go and drive you home

Do you need my love
Do you want my love
Do you need my love
Do you want my love
Take this love
That I want to give you
So bad right now
Do you need my love
Do you want my love
Do you need my love
Do you want my love
Take this love
That I want to give you
So bad right now

And you know what the truth is
I'm so caught up with my own shit
I'm a man on a mission
And I can't be slippin now
Yeah I think I got a real chance
To change this world were in
Oh I want to give you love
But I've got some work to do
So i know I'm difficult to date
I know I disappear for days
I know your friends think
I'm a no good selfish dog
I know I keep you up at night
Singing songs about my life
But I swear to god
That all I wants the best for you

Do you need my love
Do you want my love
Do you need my love
Do you want my love
Take this love
That I want to give you
So bad right now
Do you need my love
Do you want my love
Do you need my love
Do you want my love
Take this love
That I want to give you
So bad right now

And I try
The best the best I can
And I hope
That there's no better man
But I know
That it might be the truth

Do you need my love
Do you want my love
Do you need my love
Do you want my love
Take this love
That I want to give you
So bad right now
Do you need my love
Do you want my love
Do you need my love
Do you want my love
Take this love
That I want to give you
So bad right now
