## Mikołaj Przybylski, When You Say Nothing at All

It's amazing how you can speak right to my heart Without saying a word, you can light up the dark Try as I may I could never explain What I hear when you don't say a thing

The smile on your face lets me know that you need me There's a truth in your eyes saying you'll never leave me A touch of your hand says you'll catch me if ever I fall Now you say it best when you say nothing at all

All day long I can hear people talking out loud But when you hold me near, you drown out the crowd Old Mr. Webster could never define What's being said between your heart and mine

The smile on your face lets me know that you need me There's a truth in your eyes saying you'll never leave me A touch of your hand says you'll catch me if ever I fall Now you say it best when you say nothing at all

The smile on your face lets me know that you need me There's a truth in your eyes saying you'll never leave me A touch of your hand says you'll catch me if ever I fall Now you say it best when you say nothing at all
