

# Mila J, Ready 2 Go

I gotta get it, yeah I gotta get it  
Top when I swerve, I bot on the curb  
They know that I'm in it  
And that got me known  
They know that I'm on it  
But it's nothing new, you're just clueless  
It take you a minute to notice some  
Also Los Angeles, hope you can handle it  
I keep you hunned, yeah I keep you hunned

I keep it they wanna speak on us because the people they love it  
I'm sure that the people may go tell them fuck 'em if anyone doesn't

Yeah, there can only be one  
We do this shit for fun  
So I stay ready  
I'm ready to go, I'm ready to go
