

Miley Cyrus, Bigger Than Us

I see your face, I look in your eyes
What you feel is no surprise
Everyone needs something to believe in

Tell me your dreams and I'll tell you mine
In our hearts, we'll look inside
And see all the colors of a rainbow
I know

We all want to believe in love
We all want to believe in something
Bigger than just us
We all want to be a part
Of the greater picture
That's hanging in our hearts
Love's bigger than us

I want to see beyond my own little world
Grab your hand so we can twirl around the galaxy
See the world with clarity
Oooo, oooo we have such a long way to go
But I know we're getting closer every day

We all want to believe in love
We all want to believe in something
Bigger than just us
We all want to be a part
Of the greater picture
That's hanging in our hearts
Love's bigger than us

It's bigger than us
It fills the universe
It lights the skies above
It rescues all our hearts...with love
It's love, it's love, that's bigger than us
