

Miley Cyrus ft. Trace Cyrus, Hovering

Sometimes I wonder
If everything changed
How would we make out
And now suddenly
Thunder and everything changed
There's this big dark cloud hovering
Hovering (x3)
You always said that we'd make it through
Trumbling, Stumbleling, Fumbleling,
Those are the words that saying
that I'm leaving you
I'm Leaving you
Go Through The Motions Like
Everything's Settled But It's
Inside Out
And It Makes Us Uncomfortable
Still Holding On
When There's All This Doubt
Hovering
Hovering
Hovering
Hovering
(Trace)
You Always Said That We'd Make
Through
(Miley)
Traveling, Stumbling, Fumbling
Those are the words That Saying I'm
Leaving You
I'm Leaving You
Maybe We're Just Older, Just A Little Older
Cuz The Fact That This is Over
The Fact That This is Over With You
Hovering
Hovering
Hovering
(Trace)
You Always Said That We'd Make it Through
(Miley)
Traveling, Stumbling, Fumbling
Those ARE The Words That Say
I'm Leaving You
Leaving Youuuuu
Traveling
Fumbling
Stumbling
Those are the words that I'm Leaving
youuuuuu
