

Miley Cyrus, Full Circle

Ive been in a rut
Back and forth enough
Heart like the wheel
Without you around
So uncomfortable is how it feels

Every time youre near
Trouble disappears
Under the ground
But when you go too far
Silver clouds will start hanging around

And I know why
Try to run
But I keep on
Coming back
Full circle
And I cant jump the track
Cant let you go

Tried to once
So I keep on
Coming back
Full circle
Cause I know youll come around
Youll come around

Skippin' down a broken path
How long can I last
Please let me know
Wheres the finish line
Cause Ive got to find somewhere to go

I dont want to hear
These people interfere
What do they know
What I feel inside
When Im up all night
Needing you oh

I dont know why
Tried to run
But I keep on
Coming back
Full circle
And I cant jump the track
Cant let you go

Tried to once
So I keep on
Coming back
Full circle
Cause I know youll come around
Youll come around

Cause I know youll come around
Youll come around

I'll keep on runnin
Til we meet in the middle
I'll push it right aside
And I give just a little
Theres miles to go
But wait

Dont hold back
Well make it

And I know why
Tried to run
But I keep on
Coming back
Full circle
And I cant jump the track
Cant let you go

Tried to once
So I keep on
Coming back
Full circle
Cause I know youll come around
Youll come around

I know youll come around
Youll come around

Yeah I know youll come around
Youll come around
