

# Miley Cyrus, Girl's Night Out

Don't call me, leave me alone  
Not gonna answer my phone  
Cause I don't  
And I won't  
See you  
I'm gonna have a good time  
To get you off of my mind  
Cause I don't  
And I won't  
See you  
Now it's time for one-on-one  
I'm gonna have some fun  
Oh boy, you had better run!  
Cause it's a girl's night  
It's alright  
Without you  
I'm gonna carry on  
Stay up  
Without you  
You'd better hold tight  
It's a girl's night  
Without you  
I'm so tired of you being tough  
Let's go, kick it up  
Let's go, kick it up  
Cause it's a girl's night  
I'll dance with somebody new  
Don't have to think about you  
Cause you know  
I'll let go  
And leave you  
Here's the one-on-one  
Hey boy, good thing we're done  
Cause it's a girl's night  
It's alright  
Without you  
I'm gonna carry on  
Stay up  
Without you  
You'd better hold tight  
It's a girl's night  
Without you  
Then I remember from the concert there was something that went...  
Don't you wish that you had been a good boy?  
You'd have this if you'd been a good boy  
Missed your chance, cause you weren't a good boy  
Now it's a  
Girl's night  
It's alright  
Without you  
I'm gonna carry on  
Stay up  
Without you  
You'd better hold tight  
It's a girl's night  
Without you
