

# Miley Cyrus, Goodbye

I can honestly say  
You've been on my mind  
Since I woke up today, up today

I look at your photograph all the time  
These memories come back to life  
And I don't mind

I remember when we kissed  
I still feel it on my lips  
The time that you danced with me  
With no music playing  
I remember those simple things  
I remember till I cry  
But the one thing I wish I'd forget  
A memory I wanna forget  
Is goodbye

I woke up this morning, and played our song  
And through my tears I sang along  
I picked up the phone and I put it down  
Cause I know I'm wasting my time  
And I don't mind

I remember when we kissed  
I still feel it on my lips  
The time that you danced with me  
With no music playing  
I remember those simple things  
I remember till I cry  
But the one thing I wish I'd forget  
A memory I wanna forget

And suddenly my cell phone's blowing up  
With your ringtone  
I hesitate but answer it anyway  
You sound so alone  
And I'm surprised to hear you say

You remember when we kissed  
You still feel it on your lips  
That time that you danced with me  
With no music playing

You remember those simple things  
We talked till we cried  
You said that your biggest regret  
The one thing you wish I'd forget  
Is saying goodbye  
Saying goodbye.. huum  
Goodbye
