

# Miley Cyrus i John Travolta, I Thought I Lost You

MILEY

Nobody listens to me, don't hear a single thing I've said  
Say anything to soothe me, anything to get you from my head  
Don't know how really I feel,  
Cause it's the faith that makes it like I don't care  
Don't know how much it hurts to turn around like you were never there  
Like somehow you could be the break and I could walk away from the promises we made  
And swore we'd never break!!

MILEY AND TRAVOLTA CHORUS

I thought I lost you when you ran away to try to find me  
I thought I'd never see your sweet face again.  
I turned around and you were gone and on and on the days went  
but I kept the moments that we were in  
'Cause I hoped in my heart, that you would come back to me my friend  
And now I got you, but I thought I lost you!

TRAVOLTA

I felt so empty out there, and there were days I had my doubts  
but I knew I'd find you somewhere  
because I knew I couldn't live without you in my life for one more day  
and I swore I'd never break a promise we made

MILEY AND TRAVOLTA CHORUS

I thought I lost you when you ran away to try to find me  
I thought I'd never see your sweet face again.  
I turned around and you were gone and on and on the days went  
but I kept the moments that we were in  
'Cause I hoped in my heart, that you would come back to me, my friend  
And now I got you, but I thought I lost you!

TRAVOLTA

I told myself I wouldn't sleep 'til I searched the world from sea to sea

MILEY

I made a wish upon a star, I turned around and there you were

MILEY AND TRAVOLTA

And now here we are, are

MILEY

here we are

I thought I lost you

TRAVOLTA

I thought I lost you too

MILEY

I thought I lost you

TRAVOLTA

I thought I lost you

MILEY

yeah

MILEY AND TRAVOLTA CHORUS

I thought I lost you when you ran away to try to find me  
I thought I'd never see your sweet face again.  
I turned around and you were gone and on and on the days went  
but I kept the moments that we were in  
and I knew in my heart, that you would come back to me, my friend  
And now I got you, I thought I lost you!

MILEY

but I thought I lost you

TRAVOLTA

I thought I lost you too

BOTH

so glad I got you, got you

MILEY

so glad I got you, yeah yeah

I thought I lost you

TRAVOLTA

I thought I lost you too
