Miley Cyrus, Jaded

I don't wanna call and talk too long
I know it was wrong, but never said I was sorry
Now I've had time to think it over
We're much older and the bone's too big to bury

Oh, isn't it a shame that it ended like that?
Said goodbye forever, but you never unpacked
We went to Hell, but we never came back

I'm sorry that you're jaded
I could've taken you places
You're lonely now and I hate it
I'm sorry that you're jaded

You're not even willin' to look at your part
You just jump in the car and head down to the bar 'til you're blurry
Don't know when to stop, so you take it too far
I don't know where you are and I'm left in the dark 'til I'm worried
Ooh, and it hurts me

And it's a fuckin' shame that it ended like that
You broke your own arm, but you'd never say that
We went to Hell, but we never came back

I'm sorry that you're jaded (Jaded)
I could've taken you places (Places)
You're lonely now and I hate it
I'm sorry that you're jaded

I won't lie, it won't be easy
When somebody new is on your body
I'll change my number but keep your T-shirt
I don't mind it's torn up and faded

I'm sorry that you're jaded (Jaded)
I could've taken you places (Places)
You're lonely now and I hate it
I'm sorry that you're jaded

I'm sorry that you're jaded
