

Miley Cyrus, Nobody's Perfect

Everybody makes mistakes
Everyone has those days
1, 2, 3, 4!

Everybody makes mistakes
Everybody has those days
Everybody knows what, what I'm talking about
Everybody gets that way
Yeah!

Sometimes I'm in a jam,
I gotta make a plan,
It might be crazy
I do it anyway

No way to know for sure
I figure out a cure
I'm patching up the holes
But then it overflows

If I'm not doin' too well
Why be so hard on myself

Nobody's Perfect!
I gotta work it!
Again and again,
Till I get it right,
Nobody's Perfect!
You live and you learn it!
And if I messed it up sometimes
Nobody's Perfect

Sometimes I work a scheme,
But then it flips on me
Doesn't turn out how I planned,
Gets stuck in quicksand

The problem can be solved,
Once I get involved,
I try to be delicate,
Then crash right into it,

But my intentions are good, (Yeah, Yeah, Yeah)
Sometimes just misunderstood,

Nobody's Perfect!
I gotta work it!
Again and again
Till I get it right

Nobody's Perfect!
You live and you learn it!
And if I messed it up sometimes

Nobody's Perfect!
I gotta work it!
I know in time I'll find a way
Nobody's Perfect

Sometimes I fix things up,
And they fall apart again, (Nobody's Perfect)
I know I mix things up,
But I always get it right in the end,

Next time you feel like,
It's just one of those days,
When you just can't seem to win,
When things don't turn out the way you planned,
Figure something else out,
Don't think ahead, Try again!

Everybody makes mistakes
Everybody has those days
Everybody knows what, I'm talking about
Everybody gets that way

Everybody makes mistakes
Everybody has those days
Everybody knows what, what I'm talking about
Everybody gets that way

Nobody's Perfect!
I gotta work it!
Again and again
Till I get it right

Nobody's Perfect!
You live and you learn it!
And if I messed it up sometimes

Nobody's Perfect!
I gotta work it!
I know in time I'll find a way

Nobody's Perfect
You live and you learn it
Cause everybody makes mistakes

Nobody's, Perfect
No, No
Nobody's Perfect!
