

# Miley Cyrus, This Is The Life

Take the world  
Shake and stir  
And that's what I got goin' on  
I throw my cares up in the air  
And I don't think they're comin' down  
Yeah, I love how it feels right now

This is the life! Hold on tight!  
And this is the dream  
It's all I need!  
You never know where you'll find it  
And I'm gonna take my time, yeah  
I'm still getting it right  
This is the Life

Takin' in a whole new scene  
And I'm swimming with a new crowd (crowd)  
Breakin' down the old four walls  
And building them up from the ground  
I love how it feels right now

This is the life! (life!)  
Hold on tight! (hold on, hold on!)  
And this is the dream! (dream!)  
It's all I need! (hold on!)  
You never know where you'll find it  
And I'm gonna take my time yeah.  
And I'm still getting it right  
This is the life

Gonna follow my own lead, yeah!  
Kick back and feel the breeze!  
Nothing but the blue sky!  
As far as I can see!

This is the life  
Hold on tight!  
And this is the dream!  
It's all I need!  
You never know where you'll find it  
And I'm gonna take my time, yeah  
I'm still getting it right

This is the life! (life! Yeah!)  
Hold on tight! (hold on, hold on!)  
And this is the dream! (dream!)  
It's all I need! (hold on!)  
You never know where you'll find it  
And I'm gonna take my time yeah  
I'm still getting it right
