

Miley Cyrus, Unholy

i am a little drunk, i know it
I'ma get high as hell
I'm a little bit unholy
so what?
so is everyone else

i am a little drunk, i know it
I'ma get high as hell
I'm a little bit unholy
so what?
so is everyone else

wake up in the middle of a breakdown
have sex on the table with the takrout
I am sick of faking
the using
the taking

the people calling me obscene
you hate me
you love me
you just wanna touch me
I'm only trying to get some peace
so let me do me

i am a little drunk, i know it
I'ma get high as hell
I'm a little bit unholy
so what?
so is everyone else

i am a little drunk, i know it
I'ma get high as hell
I'm a little bit unholy
so what?
so is everyone else

so what?
so is everyone else
so what?
so is everyone else

i am a little drunk, i know it
I'ma get high as hell
I'm a little bit unholy
so what?
so is everyone else

i am a little drunk, i know it
I'ma get high as hell
I'm a little bit unholy
so what?
so is everyone else
