

Miley Cyrus, Younger Now

Feels like I just woke up
like all this time I've been asleep
even though it's not who I am
I'm not afraid of who I used to be

No one stays the same
you know what goes up
change is a thing you can count on
I feel so much younger now

feels like I've been in a dream
but never make it to the end
my eyes open when they feel the light
it's always right before
I'm about to scream

No one stays the same
you know what goes up
change is a thing you can count on
I feel so much younger now

what goes up must come down/4x

No one stays the same
you know what goes up
change is a thing you can count on
I feel so much younger now /3x
