Miley Cyrus, Younger Now

Feels like I just woke up like all this time I've been asleep even though it's not who I am I'm not afraid of who I sued to be

No one stays the same you know what goes up change is a thing you can count on I feel so much younger now

feels like I've been in a dream but never make it to the end my eyes open when they feel the light it's always right before I'm about to scream

No one stays the same you know what goes up change is a thing you can count on I feel so much younger now

what goes up must come down/4x

No one stays the same you know what goes up change is a thing you can count on I feel so much younger now /3x
