

Milk Inc, Blackout

Will there be someone to hold
When the lights go out
Will I be left in the cold
When the lights go (blackout)
I was once
A girl that needed
Your world stand still
Don't you remember?
In the corner of my mind
I keep the memory
Of every little thing you said
You'd remember me
Will there be someone to hold
When the lights go out
Will I be left in the cold
When the lights go (blackout)
You're the one
Living underneath
My skin
Don't you remember?
In the corner of my mind
I keep the memory
Of every little thing you said
You'd remember me
Will there be someone to hold
When the lights go out
Will I be left in the cold
When the lights go (blackout)
Don't you know me?
Don't you recognize me?
Don't you wonder why?
Yeah
Will there be someone to hold
When the lights go out
Will I be left in the cold
When the lights go out
Will there be someone to hold
When the lights go out
Will I be left in the cold
When the lights go (blackout)
