

# Milk Inc, Don't Cry

Don't cry,  
you're not alone  
Don't cry,  
you've got a home  
They're not worth your tears...  
They're not worth these years...

(x2)

Just a kiss goodnight is enough  
to fight your scary dreams away  
And a kiss goodbye is enough  
to keep you warm when I can't stay

Don't cry,  
cause I'll be there

Don't cry,  
you'll get nowhere  
Lift your head up high,  
give it another try

(x2)

Just a kiss goodnight is enough  
to fight your scary dreams away  
And a kiss goodbye is enough  
to keep you warm when I can't stay

So don't cry,  
you're strong enough

Don't cry,  
although it's tough  
I know that you'll get by  
I know that you'll get by

(x2)

Just a kiss goodnight is enough  
to fight your scary dreams away  
And a kiss goodbye is enough  
to keep you warm when I can't stay

So don't cry,  
you're strong enough

Don't cry,  
although it's tough  
I know that you'll get by  
I know that you'll get by
