

Milk Inc, Don't Cry

Don't cry,
you're not alone
Don't cry,
you've got a home
They're not worth your tears...
They're not worth these years...

(x2)

Just a kiss goodnight is enough
to fight your scary dreams away
And a kiss goodbye is enough
to keep you warm when I can't stay

Don't cry,
cause I'll be there

Don't cry,
you'll get nowhere
Lift your head up high,
give it another try

(x2)

Just a kiss goodnight is enough
to fight your scary dreams away
And a kiss goodbye is enough
to keep you warm when I can't stay

So don't cry,
you're strong enough

Don't cry,
although it's tough
I know that you'll get by
I know that you'll get by

(x2)

Just a kiss goodnight is enough
to fight your scary dreams away
And a kiss goodbye is enough
to keep you warm when I can't stay

So don't cry,
you're strong enough

Don't cry,
although it's tough
I know that you'll get by
I know that you'll get by

(x2)
