

Milk Inc, Guilty

You apologize
Is it your disguise?
No, don't wanna hear your alibis
A walking cliché
The games that you play
I can see you coming from a mile away
Guilty
Don't deny you're guilty
No reason to lie
Don't do the crime
If you can't do the time
You're guilty
And you know why (x3)
You commit your crime
Should have seen the signs
No, don't wanna hear the same old lies
Find my strength within
Forget what could have been
No, don't wanna see your face again
Guilty
Don't deny you're guilty
No reason to lie
Don't do the crime
If you can't do the time
You're guilty
And you know why (x3)
