Milk Inc, Heaven

Oh - thinkin' about all our younger years There was only you and me We were young and wild and free Now nothin' can take you away from me We bin down that road before But that's over now You keep me comin' back for more Baby you're all that I want When you're lyin' here in my arms I'm findin' it hard to believe We're in heaven And love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven Oh - once in your life you'll find someone Who will turn your world around Bring you up when you're feelin' down Ya - nothin' could change what you mean to me Oh there's lots that I could say But just hold me now Cause our love will light the way Baby you're all that I want When you're lyin' here in my arms I'm findin' it hard to believe We're in heaven And love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven I've been waitin' for so long For something to arrive For love to come along Now our dreams are comin' true Through the good times and the bad Ya - I'll be standin' there by you
