

Milk Inc., I Don't Care (Ft. Sylvie)

I got something on my mind see
Every time I look around me
Seems like every scrub I see
Is tryna get it on with me
I think it impresses me
The way they act so foolishly
Do they really think they got it made
I can see right trough their mascarade
When we say nothing
They call us hard to get
When we say no
They call us names instead
Let us spell it out for you

I don't care
I never liked you anyway
I don't care
Don't you hear me when I say
I don't care
Cuz you're a total waste of time
And you'll never ever ever be mine

Gonna get this off my chest see
These guys really start to stress me
They should know it doesn't impress me
They got 50 cent on mp3
When we say nothing
They call us hard to get
When we say no
They call us names instead
They haven't got a clue
Let us spell it out for you

I don't care
I never liked you anyway
I don't care
Don't you hear me when I say
I don't care
Cuz you're a total waste of time
And you'll never ever ever be mine
