

Milk Inc., Insomnia

I only smoke weed when i need to
and i need to get some rest
Yes where's the sess, i confess
i burned a whole in the mattress
yes yes it was me i plead guilty
and at the count of three i pull back the duvet
Make my way to the refridgerator, one dry potato inside
no lie, not even bread, jam
when the light above my head went bam
i cant sleep somethings all over me, greasy, insomnia please release me
and let me dream about making mad love on the heath
Tearin' off thighs with my theeth
But there's no relief, i'm wide awake in my kitchen
its black and i'm lonely
oh if i could only get some sleep
freaky noices make my skin creep
i need to get some sleep
i cant get no sleep!

i cant get no sleep
ohoh
i cant get no sleep
i cant get no sleep
