

Milk Inc, Invisible

Like a ghost from the past
Unheard, unseen, unknown
I was holding on
To a life I knew could never last
Like a broken window
Undone, unsafe, uncertain
I could walk away
Leave behind me what I couldn't take
Like a broken window
Undone, unsafe, uncertain
I could walk away
Leave behind me what I couldn't take
Here's a knife
If I want to believe
You could see me like before
Here's a knife
If I want to believe
You could see I want it more
Am I invisible?
Am I invisible?
Is it so difficult for you?
To care at all
Am I invisible?
Am I invisible?
Is it so difficult for you?
To care at all
Am I invisible?
Am I invisible?
Is it so difficult for you?
To care at all
Am I invisible?
Am I invisible?
Is it so difficult for you?
To care at all
