

# Milk Inc., Losing Love

All these words inside my head,  
No I don't know who to choose,  
Should I stay with what I have?  
Have I got something to lose?

All these different things I feel,  
No I don't know what to trust,  
Can I know which one is real?  
Can I know which one I've lost?

Am I losing love, can I give enough,  
Am I losing love, I'm losing you.  
Am I losing love, can I give enough,  
Am I losing love, I'm losing you.

All these different souls I've touched,  
No I don't know right from wrong,  
Did I hurt their hearts so much?  
Will I know where I belong?

All these different things I feel,  
No, I don't know what to trust,  
Can I know which one is real?  
Can I know which one I've lost?

Am I losing love, can I give enough,  
Am I losing love, I'm losing you.  
Am I losing love, can I give enough,  
Am I losing love, I'm losing you.

Is there something you can't tell me?  
Is there something you can't say?  
Does it hurt you when I touch him?  
Does it hurt you when I say...

Am I losing love, can I give enough,  
Am I losing love, I'm losing you.  
Am I losing love, can I give enough,  
Am I losing love, I'm losing you.
