Milk Inc., Tainted Love

Sometimes I feel I've got to Run away I've got to Get away From the pain you drive into the heart of me The love we share Seems to go nowhere And I've lost my light For I toss and turn I can't sleep at night

Once I ran to you (I ran) Now I'll run from you (Now I'll run) This tainted love you've given I gave you all a girl could give you Take my tears and that's not nearly all (3x)

Touch me baby, tainted love (2x)

Now I know I've got to Run away I've got to Get away You don't really want any love from me To make things right You need someone to hold you tight And you'll think love is to pray But I'm sorry I don't pray that way

Once I ran to you (I ran) Now I'll run from you (Now I'll run) This tainted love you've given I gave you all a girl could give you Take my tears and that's not nearly all (2x)

Touch me baby, tainted love (2x)

Don't touch me please I cannot stand the way you tease I love you though you hurt me so Now I'm gonna pack my things and go

Don't touch me please I cannot stand the way you tease I love you though you hurt me so Now I'm gonna pack my things and go
