

# Milk Inc., Time (Radio Edit)

(Verse 1)

It maybe true  
That it's worth another try  
Then again  
I've often wonder why  
There's no answer  
There's no reason left to stay  
Is it time?  
Tell me there's an other way

(Refrein)

Time  
Take us back in time  
Why can't we rewind  
And take it back to where we used to be

Time

Take us back in time  
Why can't we rewind  
And take it back to where we used to be

(Verse 2)

It maybe true  
That we shouldn't let this time  
Then again  
I've often wonder why  
Everyday feels like there's nothing left to say  
Is it time?  
Tell me there's an other way

(Bridge)

There's no answer  
There's no reason left to stay  
Is it time?  
Tell me there's an other way

(Refrein)

Time  
Take us back in time  
Why can't we rewind  
And take it back to where we used to be

Time

Take us back in time  
Why can't we rewind  
And take it back to where we used to be
