

Milk Inc., Walk On Water

There was a time
When nothing would last
There was a time
I held on to the past

I would walk on water
just to be with you
Walk on water
just to be with you
Split the ocean, cross the sea
Walk on water, if you believe...

There was a time
I lost my faith
There was a time
I could only hate

You were my shepherd
you were my guide
I follow your dark eyes
right into the night
You were my saviour
You took control
you came and touched my soul

I would walk on water
just to be with you
Walk on water
just to be with you
Split the ocean, cross the sea
Walk on water, if you believe...

There was a time
when nothing would last
There was a time
I held on to the past

You were my shepherd
you were my guide
I followed your dark eyes
right into the night
You were my saviour
You took control
you came and touched my soul

But why are you still overshadowed by a doubt?
if only you could see
The love that carries me....

I would walk on water
just to be with you
Walk on water
just to be with you
Split the ocean, cross the sea
Walk on water, if you believe...
