Milk Inc., Walk On Water

There was a time When nothing would last There was a time I held on to the past

I would walk on water just to be with you Walk on water just to be with you Split the ocean, cross the sea Walk on water, if you believe...

There was a time I lost my faith There was a time I could only hate

You were my shepherd you were my guide I follow your dark eyes right into the night You were my saviour You took control you came and touched my soul

I would walk on water just to be with you Walk on water just to be with you Split the ocean, cross the sea Walk on water, if you believe...

There was a time when nothing would last There was a time I held on to the past

You were my shepherd you were my guide I followed your dark eyes right into the night You were my saviour You took control you came and touched my soul

But why are you still overshadowed by a doubt? if only you could see The love that carries me....

I would walk on water just to be with you Walk on water just to be with you Split the ocean, cross the sea Walk on water, if you believe...
