

Milky Chance, Oh Mama

slowly we are falling through the cracks
it just feels like something we regret
don't know what to do and how to act
out of my means ot that's how it feels
lately we've been covered by the past
but don't you think that we are made to last?
rather than just be stumbling in the dark
in the dark
in the dark

when we get old mama
we think it was no drama
cause them we would know
it was better letting it go
why couldn't br just a little more easy to see, darling
that wouldn't been all
wouldn't been all we needed tyo know
