

# Milla Jovovich, Electric Sky

You call me on the telephone  
Say you really need me  
You call me up and tell me that  
You really need to see me

But you know I'll always wait for you  
You know I'll always wait for you  
Oh, you keep me waitin'  
All lifelong

With you I'm blind  
All I see is your eyes  
With you in my life  
Caught in your electric sky

You say that I'm the only one  
The one you wanna be with  
But when I hold you in my arms  
You wish that I was someone different

You know I'll always wait for you  
You know I'll always wait for you  
Oh, you keep me waitin'  
All lifelong

With you I'm blind  
All I see is your eyes  
With you in my life  
Caught in your electric sky
