

Millencolin, Chiquita Chaser

Maybe just because I was newly washed like Brandon Walsh
you took notice of me, you thought I was a rockstar some gangster
or a bowling star I don't believe you babe
you're not the only one who think I am a chiquita dude
well I'm afraid I'm not that rude
I took you to the A-house and even to the punk-palats
those trips made you throw up and after a few nights you took off
to the holm of asp's that's where you belong
When it comes to you it's hard to have an open mind
so I just have one advice, to say....
Walt Jabsco, Walt Jabsco now that's what I call rude
he's the man he's a super dude.
